Free 13 colonies Map Worksheet and Lesson Do your students find 13 colonies on the map? In this simple lesson, students will learn the names and locations of 13 colonies. They also group colonies into regions: New England, Central and South America. This is a great way to kick off your 13 Colonies unit. Enjoy! (Don't forget to download a free journal at the end of a blog post) 13 Colonies Lesson Plan 1. Introduce the 13 American Colonies video. Get links to my five favorite 13 Colonies videos here. 2. Show students a modern map of the United States like this one. Ask them to locate 13 colonies. Indicate the states that were the original 13 colonies. Name the areas surrounding the colonies (e.g. Atlantic Ocean to the east, Canada to the north, Florida to the south, etc.). You can assume that the students know the location of the 13 colonies, and some know. But it's likely that many won't. 3. Out of 13 colony worksheets. Invite students to... Label the Atlantic Ocean and draw a compass rose. Label for each colony color in each region of different colors and create the key here are some online resources that students can use to fill their cards. 4th Early Frontier Ideas: Recalls Early graduates use their filled worksheets to play this online quiz card game. Higher thinking: Early graduates choose one colony zoom in and find out more. Students analyze a map of one colony using the worksheet from the National Archives. The Library of Congress has a collection of maps of the Colonial Era that can be used here. Want a FREE 13 Colonies Timeline Lesson? In this lesson, students put the colonies on the timeline. They will also learn who colony and the reasons for their settlement. This activity includes task cards to help your students get out of their seats! I've also added a reflection sheet for early graduates. This is a great companion to the 13 colonies map worksheet. Enter your email below to grab your free 13 Colonies Timeline lesson! Another 13 Colonies Resources If you need more help teaching about 13 colonies, my 3-week unit has been used by thousands of teachers and is one of my best-selling resources. Your students love the Jamestown simulation, where they make the decisions that determine their survival. Related Posts: Print response key (best content only printed) Place the colony number in the correct location of the map.
